Take advantage of this opportunity to be one of the pioneers of Trefoil Guild/OST USA by attending this very first conference. As our organization evolves, participate in the evaluation of the first three years as a national organization and give your ideas for its future.

Two FULL days of activities from Saturday morning's opening ceremony to a memorable closing ceremony on Sunday evening are being planned for you. Included are a special mixer activity planned for Friday evening and a private tour of the Dallas city highlights. If possible, plan your travel days for a Friday arrival and a Monday departure to be able to enjoy it all.
